Abstract

Welcome to Future Academy's 2nd International Congress on Clinical & Counselling Psychology: CPSYC 2014.

Formerly known as Cognitive–Counselling, Research and Conference Services, Future Academy was established in 2008. Since then, its services and events have increased. Participants such as you have trusted us to fulfill your expectations for useful and engaging activities and professional conferences and congresses.

To date, more than 2,900 academicians and guests from more than 90 countries have attended a Future Academy event. And more than 80 International professionals serve as members of Future Academy's Scientific Committee or Board of Reviewers. ICEEPSY & CPSYC, by the way, are approved by the British Psychological Society Learning Centre for Continuing Professional Development.

The Academy's MPcibt Master Practitioner Diploma in Cognitive Behavioural Therapy certifies Master Practitioners in Cognitive Behavioural Psychology, a program approved by the British Psychological Society Learning Centre. Future Academy publishes,

- The European Journal of Social & Behavioural Sciences
- The European Proceedings of Social & Behavioural Sciences
- C-crcs Volume BOOK
- Abstract Books for each Future Academy conference.

We look FORWARD to seeing you in Istanbul / Turkey in October 2015.
